38mm Leather Islands tribute to the “History of Music”. From the dawn of time, when King David played the harp for Saul, music has come a long long way. From Rock to Outlaw Country, Classical to the Jazz greats, from Hip-hop artists to the Pop sensations of today, music is always changing. All the notes and melodies are hauntingly eternal. This strap is a hand drawn tribute by Cameron Fraser honoring the musical geniuses of all time! .

3-LI9185

38mm Tribute to the Faith in Healing: (pay it forward) – These are ancient symbols dating back thousands of years with amazing powers in them to heal. With a little Faith, we hope wearing this belt design will help bring about good health to all that believe. If this belt happens to heal your body and soul, please pay it forward to someone you know and love that that might need healing as well.
